WEYLER THINKS HE HAS WON

All the Strategic Points in the Island Are Occupied by His Troops.

MAKES A STATEMENT TO THE PUBLIC

Intimates that There is Nothing Left of Macco's Army but a Pew Scattering Bands of Badly Whipped Rebels.

Copyright, 186, by the Associated Press.) HAVANA, Nov. 27 .- So many contradictory statements have been stiributed to Captain neither for men nor for money. Spain does General Weyler since his return from the province of Pinar del Rio that the correspondent here of the Associated press was toric traditions alone impels Spain and she Instructed to ask the Spanish commander for will defend Cuba and will exhaust her last a full official and authorized statement on dollar and her last man in so doing. This the subject. Therefore, just previous to is not only the feeling of the government, but also five subject. the departure of General Weyler for Pinar del Rio the correspondent called at the palace, where he was courtecusly received by the general, who was asked to supple nition of the belligerence of the insurgents respondent of La Lucha at Attemisa, which

before his return to the field to place before the public in the United States his official statement on the Cuban situation, saying "It is understood that you have returned from Place del Rio highly contented with the result of your recent operations, and it is nice result of your recent operations, and it is nice result of your recent operations, and it is nice result of your recent operations, and it Discommanded that you believe that Pinar on and descruction to which they have dedi-Rio will soon be pacified."

the insurgents claimed were impregnable. Here occupied by our troops after dislodgoffer no resistance and retuse to screep a meeting with our troops who are chasing them. All the strategic points are in my hands and the constant activity of our troops in all directions completely binders the escape of the small groups of insurgeris who are now flying before them in disorder."

The correspondent saked. "Do you think the condition of the provinces of Havana, Matangas and Sauta Clura hampers or favors the suppression of the insurrection."

The captain general replied: "These captain gener

With a motion of ironical surprise General With a motion of ironical surprise General Weyler answered. The is not possible aince the rebels have nothing to conflucte. They do not represent anything of the wealth of the country. However, if you possess data of any property owned by the insurgents show of justification for treachery to the nation. The plainest proof that these completes the representative of the Cuban political parties are unjust is in fast, that all the representative of the Cuban political parties in charge of one of our admittable to seemed in the harbor of Havanan and interpretative of the Cuban political parties the political parties are unjust is in fast, that all are striving with the insurgents and their property is now only of about a dozen farm-owners with the insurgents and their property is not interpretative of the cuban political parties of one of our admittable and only of about a dozen farm-owners with the insurgents and their property is national defense and that all are striving equally with the same object in view, not such as the invitation. In onclusion Mr. Cockran said: This government must speak upon the Cuban questions and the such as the country of the same object in view, not with a second with the invitation. with various creditors. Consequently, if I political platforms, conservative and liberal fields upon confiscating, it would be the alike. The committee is naturally composed from the reason that the insurgents are not sarrying on a war but rather are pursuing a policy of destruction and incendiarism. "Is it a fact general that rou will not allow the sugar crap to be made?"

will have to be exacted from the planters by threats of violence and whatever was by such means obtained would only go to aclabor employed against their country."
"To you not think that by the prohibition

of the sugar crop the commerce of the taland will suffer and important houses conneeded with the sugar industry will be

the planters and the inerchants in Cuba a present the singular feature is that the planter lives more from the merchant's capi-

tal than from the actual products of his land, and it may be asserted that the im-mense majority can only commence work with money advanced by the merchants Therefore the commercial element finds it better just now to keep this money under key until the crop operations can be begun under normal conditions."

WILL MAKE ANY SACRIFICE. 'It is reported that the Spanish minister r war intends to send another large con-

tingent of troops to Cuba in January."
If do not know," replied General Weyler,
"I only think. I can assure you that the
nation is prepared to make all kinds of sacrifies, both in money and men, which has
already been proved to conquer in this
undertaking and make Status appropriative undertaking and make Spain's sovereignty respected before and above every-thing All the money spent and to be spent will be Spanish money. Cuba has been asked for nothing.

offense by Spain?

"It would be strange if any act directly

In reply the captain general said: "I am plied the general. "After the termination of not only contented, but am entirely satisfied with the result of my military plans by the mother contents and with a randity fied with the result of my military plans by the mother country, and with a rapidity there. I went all over the northern hills and occupied the insurgent positions with-out any serious resistance upon the part of the enemy. Cacarajacara and Rubl, which the insurgents claimed were impregnable the insurgents claimed were impregnable the insurgents of the provisional laws the insurgent positions with a rapidity with which tew examples are shown among other people. The government insurgents of the country and with a rapidity with which tew examples are shown among the positions with a rapidity with which tew examples are shown among the positions with a position of the positions with a position of the provision of the position of the provision of the position of the pos were occupied by our troops after dislodying the enemy. At Rubi be offered the greatest resistance, but yielded after a few thours' fighting. We found no trace of Marco's people after that, although all the other points were reconnolisted by small detachments from our columns. The southdetachments from our columns. The southerly points were also re-consistered and the
provinces of Spain. There is absolute freenow an possession of our troops. There remains still to be reconnected the range of
hills in the eastern part of the province.
Marco has nothing left for him to do but to
scatter his followers into small parties in
order to enable them to escape our columns,
which are now hunting for them. They
offer no recisione and refuse to sceep a
meeting with our troops who are chasing of slaver. All this is recognized by literal
recipied by the spain or patrents in their native
country. As in the cocial question, the
scatter his followers into small parties in
order to enable them to escape our columns,
which are now hunting for them. They
abolition measures and refused to accept a
meeting with our troops who are chasing of slaver. All this is recognized by literal

real less numericus and lack the chemists and conditions of those in the province of Plant of Eto. The leaders of the rebels in these three provinces also lack the importance possessed by Macco. Three who had any presentage have been killed.

MACEO THE ONLY LEADER LEFT.

"It is amerited," said the correspondent, "that Marco lost many of his leading men who were with him, best faits the province also late the province of Plant del Ric."

To this the province of Plant del Ric. "To this the province are the province of the province mentioned are not in a cause of insurrection. Present Planting the province mentioned are not in a cause of insurrection. Present Planting the province mentioned are not in a cause of insurrection. Present Planting the province mentioned are not in a cause of insurrection. Present Planting the provinces mentioned are not in a cause of insurrection. Present Planting the provinces mentioned are not in a cause of insurrection. Present Planting is provinced there. The same may be said in regard to the province mentioned are not in a cause of insurrection. Present Planting the production of state supplers and the province of Santing de Cuba seed the provinces mentioned are not in a cause of insurrection. Present Planting in production of state content of the province of Santing de Cuba seed the provinces mentioned are not in a cause of insurrection. Present provinced all they could are the province mentioned are not in a cause of the university. The substance of the province of Santing de Cuba seed the province and the production of the province of santing de Cuba seed the province of santing de Cuba seed the province and the production of the province of santing de Cuba seed to present added "I have not interest under Geomes and Cuba to the importance."

The general added "I have no interest under Geomes and Cuba to the proposition of the production of the province of the province

Finally the correspondent asked General

listinctly stated that there was no truth in

NO SPANISH TYRANNY.

"But" sail the correspondent, "the cluban patriot is to be exception as a public man. Hence I think that McKinley will be guided by a just and equitable policy without passion and with prudence, such as is counseled by the interests of the American people and the cordial relations long existing between ispain and the United States."

NOTHING TO CONFISCATE, "Is it true, general," asked the correspondent wealth they have the provincial offices, as in Puerto Principe. Santa Clara and many towns in the eastern department. Where they remained the property of the Cuban in surpressent wealth they have the provincial offices, as in Puerto Principe. Santa Clara and many towns in the eastern department. Where however they are not easily, and could not count in with the minority. But even thus most of the Cubans, and the same was the case with the minor positions.

At 1 o'clock this afternoon Cariain General Weyler left Hawana on board the Spanish every Cuban residence had portraits of the cruzier La Gaspi for Mariet, newlock at the Spanish stream operating the walls. These were draped as well as many residences. The usual corrementes of the day against the insurgents.

Later in the day the correspondent of the consisted of appropriate speeches by the Later in the day the correspondent of the consisted of appropriate speeches by the Associated press called upon the chief of leading Cuban patriots and songs and poemestaff here and informed him that a dispatch by Cuban senoritas in Cospelles hall in West received in New York from Janksonville.
